Your 2024 Donations to KPFT Are Tax Deductible

If you make a donation to KPFT before January 1, 2025, not only do you help maintain this unique community radio, but you can also deduct the charitable donation from your taxes.

Make your tax-deductible donation to KPFT before December 31. Our Quiet Drive is ongoing until yearend and you can donate to KPFT on-line by just clicking the KPFT donate button  or using  or call 713-526-5738 option 1 and make your donation over the phone.

If you sign up for [MyKPFT](#) you can print your own tax receipt and

manage your KPFT membership account on-line.

Thank you for listening to and supporting KPFT over its 54 years on the air. We'll enter our 55th year on March 1, 2025 and we're planning some special events for you in 2025!

Donate Your Vehicle To KPFT

- Why Donate your car, motorcycle, boat or RV to KPFT?
- You don't want to worry about selling your vehicle.
 - It's too expensive to repair your vehicle.
 - You don't trust your car to be safe on the road.
 - You need a tax write-off.

But the most crucial reason is that your donation will enable KPFT to keep delivering the information, talk, and music that you value and enjoy.

To donate your vehicle to KPFT, call 1-855-KPFT-CAR (1-855-573-8227).

Or go to [Support KPFT – KPFT](#)

KPFT's Caroline Street blend as a thank you gift

Our new thank you gift this February Membership Drive is The KPFT Caroline Street blend: a 1 pound bag of Colombian Supremo beans from Lola Savannah *PLUS* a Caroline Street Coffee Mug for a \$120 donation which you can make on-line with a click of this

A red rectangular button with the word "DONATE" in white capital letters.

button or by calling 713-526-5738 option 1.

Savor the same brew that KPFT programmers do, provided by [Lola Savannah](#), which has been keeping KPFT well-caffeinated for years now. And enjoy it with the mug inspired by KPFT's newish digs on Caroline St.

As an added bonus, if you make a sustainer pledge of \$20 per month or more, we'll throw in the coffee and mug as a bonus, over and above any other thank you gifts you might choose. If any questions, email member@kpft.org and we'll be happy to help.

KPFT is broadcasting from Galveston on 89.5FM

Today's good news...

89.5 KPFT Galveston is up and running! Our HD1 FM signal is now repeated on 89.5 FM on the island. The 100w signal serves an area from around 51st and Seawall to the cruise terminal and Harborside and 51st.

Thanks to Howard Reynolds's, Bill Crosier, Moe Thomas, Jon Ameleh, Stuart Nance and the staff of the Bryan Museum for the quick and safe installation of the broadcast gear. A small area of the climate controlled attic provides a home for our

transmitter.

The December issue of Galveston's Waves Magazine will be covering this welcome news.

KPFT Memory Brick News

We've got it confirmed that the first batch of Memory Bricks will be delivered between October 16 and 20. We're working to get the ground ready for installing them and will keep you abreast of all progress towards this project.

If you ordered a Memory Brick but have not yet let us know what you want inscribed, please email member@kpft.org with your

inscription or call 713-526-4000 ext 4 to discuss. The 4"x8" bricks can accommodate 4 lines of 21 characters each (84 characters total). The 8"x8" bricks can accommodate 8 lines of 21 characters each (168 characters total).

There's still plenty of room for more, so there's time yet for making your \$25/month donation (for the small brick) or \$50/month donation (for the large brick).

Reserve your place in the growing KPFT Brick Garden by hitting that "Donate" button, or calling 713-526-5738 Option 1, and becoming a Sustainer member.

Backpacks at 5th Ward Head Start

During our recent Summer Sizzle, KPFT partnered with [5th Ward Head Start](#) to donate backpacks to them for the start of school. For every \$1,000 pledged during that drive , KPFT donated a backpack with school supplies, socks & underwear to the program. So far the station has distributed 34 of these.

KPFT staff visited 5th Ward Head Start on August 28, and here's a video of the incredibly cute kids receiving their backpacks.

KPFT is adding Sustaining Members every day. Will you be one of them?

Sustainers are people who donate monthly to the station until they tell the station to stop it. There are currently about 700 sustainers at KPFT donating at many different monthly levels. Their support has gotten the station thru some hard times. If you join their number and if we can get that number closer to 1,000 the station will be on much more firm footing and also will have the option of shortening the fund drives and also decreasing their number.

This May Membership Drive has moved 85 people to become sustaining members at various levels and 28 of these people are

MAKE A DONATION

getting Memory Brick. You can  at whatever level you desire, and we encourage you to turn your donation into a sustainer pledge. \$5 a month, \$10 a month or whatever level you are comfortable with.

And if you sign up for a \$25 per month donation you can get the 4"x8" brick (a sample is pictured here) or \$50 per month for a 8"x8" brick. You get to inscribe the brick you choose with any inscription you want and your brick will be laid in the front plaza at KPFT this summer.

So donate what you can to keep the station going. If you're in a position to become a sustainer please do that at whatever level

you're comfortable at. And if you're comfortable with a \$25 per month or more donation, get yourself a Memory Brick and let the station feature your generosity in physical form.
